Date: 29.03.2022

Subject: Decision of the Meeting, held on 29 March 2022 at BRTA Bhaban.

It is hereby announced for everyone's information that the decisions that follow from the consultation meeting, which was organized by the Development Activities of Society (DAS), Bangladesh Anti-Tobacco Alliance (BATA), and BRTA, are to be followed up on and implemented.

The following decisions were taken in the consultation meeting:

- (1) Anti-Tobacco/Smoking campaign will be conducted in Public Transport and Bus Terminals as per Tobacco Control Act through Mobile Court operated by BRTA.
- (ii) Harmful aspects and penalties of tobacco/smoking shall be included in the training curriculum of motorists.
- (3) All public and private institutions and NGOs shall work for tobacco control through mutual cooperation and coordination.
- (4) To review whether the subject of tobacco can be included in the Road Transport Act, 2018 or not.

Signed/

(Noor Mohammad Majumdar)
Chairman, BRTA

Md. Dowa Baksh Sheikh
Project Director (Tobacco Control Program)
Development Activities of Society (DAS)
